

**Step 1:** Remove parts from carrying case.

**Step 2:** Assemble support pole and insert into base.

**Step 3:** Remove plastic end-cap from top bar, slide in support pole cap and replace end-cap.

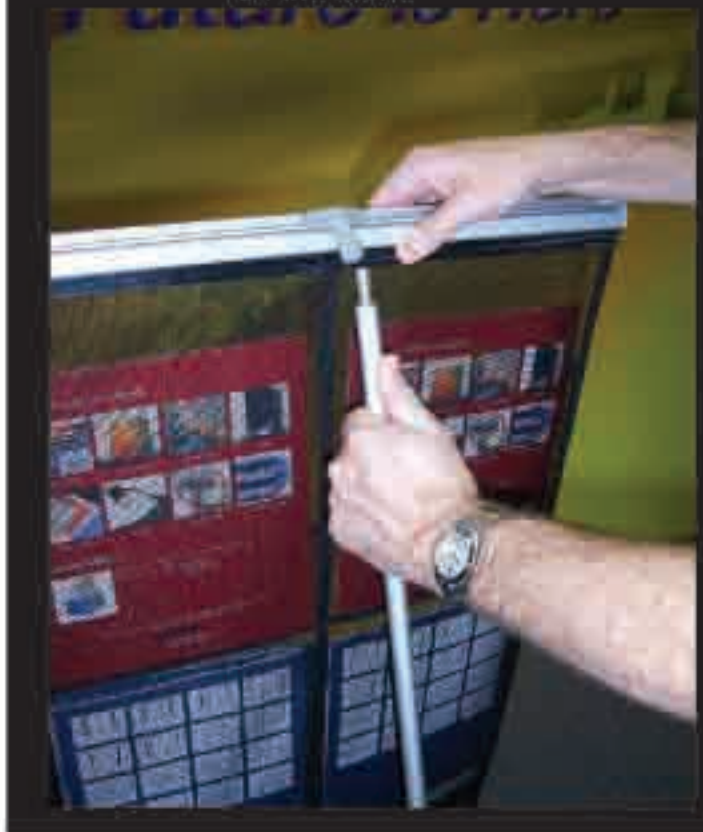

**Step 4:** Remove plastic end cap from bottom bar.

**Step 5:** Slide base into bottom bar, loosening black nut if necessary. Replace end-cap into bottom bar.

**Step 6:** Slightly bend support pole and insert into top cap, centering cap on the stand.

**Step 7:** Center base on the bottom bar and ENJOY!
